Please consider this letter as a formal request, for the convenience of counsel to enable him properly to represent his client's interests as the designated representative under the Veterans' Preference Act, for a continuance of the hearing contemplated for a period of five days, or until 15 December 1952.

I do not believe I can be considered a security risk.

If your regulations do not permit my clearance, then in the alternative I ask that the hearing be held in a place where unclassified matters are handled. I understand that there are a number of rooms of this character available for the use of the Agency.

I regret that court and other pressing engagements, including a death and the attendant distractions incident thereto, have prevented me from sooner answering your letter of 5 December 1952. I have this date communicated the substance of this letter to Mr. ith the request that he advise you accordingly, which he has very kindly consented to do. This written communication, therefore, serves as a confirmation of what has transpired over the telephone.
